Patrick: Rauhauser apparently going to IRC with Sabu. Apparently to convince him I'm a bad guy who should be hacked, is the way it looks to me
Patrick: @WeOccupyAmerica account
me: I'm in IRC with Sabu, Neal isn't here
me: seriously, trust me
me: nothing is going to be done of that sort if I oppose it, and Sabu doesn't know who Neal is
Patrick: I trust you, thanks
